

# WINNING TOGETHER

## FREEDOM'S AFTERMARKET SALES PROGRAM

### ✓ Tailored Product Set

- FE- and FR-products covering dispenser displays, printers, point-of-sale accessories, and tank gauging components
- Highly relevant for out-of-warranty customers
- Have a different install base in your area? We'll get you what you need.

### ✓ More Frequent Wins

- Our recommended selling prices will help you win with a larger customer base
- Great value for your customers without the hassle of cores and best-in-class warranty

### ✓ Increased Revenue and Profitability

- Pricing 40–60% lower than OEM DNET means lower expenditures and greater margin
- Rebate benefits for bulk orders
- The ability to return unsold products

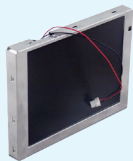

## What Are FE and FR Part Prefixes?

- **FE:** NEW innovative Freedom Engineered products to reduce inventory and solve industry problems such as poor OEM designs and part obsolesce
- **FR:** Remanufactured with cutting-edge innovations — advanced coatings, enhanced inspection technologies, and precision-engineered processes to meet or exceed OEM standards
